**BOTTLING** June 2006

**ALCOHOL** 14.4% by volume

**AGING POTENTIAL** 7 to 10 years

**CASES PRODUCED** 2500 cases

**W**ild Oak Chardonnay is a crisp yet full-bodied chardonnay that offers plush fruit in a clearly Burgundian context. The blend draws on outstanding sections of eight vineyards in diverse parts of Sonoma County, including the St. Francis Estate in Sonoma Valley. About one-third is from the Yamakawa Vineyard in the wind-chilled Carneros-Sonoma AVA, which lends a high-toned purity and lemon chiffon flavor with bracing acidity. Vineyards in Dry Creek Valley, Alexander Valley, and Russian River Valley impart floral overtones, a touch of tropical fruit, and pinpoint acid balance, all finished with a wonderfully creamy texture and the butterscotch-vanilla undertones from French oak.
